You're quite the cutie, Kathleen.

That's nice, but I've always thought of myself as an ugly ducking until just last year when my college roomie took me to a hair salon for a makeover. They cut my hair, I got contacts, and now I can't keep the boys away. But I don't really want to because my sex drive has tripled also. I'm always horny.

My, oh my. You look damn good, Christa.

I try to take care of myself. I used to go to the club two times a day and work out on all those machines. Now I have sex two times a day and I think I'm in much better shape. And so are my partners. I give them quite a workout, too.

To the Editors:

I know I'm not the best looking man in the world but I have a way with women. When I'm looking for some company, I'll go to a bar and approach the first woman I see. I try to get her attention by saying "Hey baby how about a date." She'll usually smack me and walk away. Then I'll approach a woman sitting alone at a table. "Hi there, how about a date." She'll tell me to go away. Then I see this marvelous creature at the end of the bar and say, "How about we have us a good time." She says, "Sure let's go to my place!"

After we get done having the worst sex she has probably ever had, she asks me for $500. I look at her and say, "Sorry babe. This is when you pay me to leave and never come back!" Works every time.

– Aaron, Nashville

Dear editor,

Bella and I are now in a relationship and I'm really happy about that. We both went to the same college, and we enjoyed our time together. There were times when I coaxed her into flashing and teasing others guys from the college and surprisingly she agreed. It was fun to see their 'man-she's-so-fuckin-hot' reactions.

After a sizzling bout of sex in my dorm room, she asks me what I fantasize about. Without hesitating, I say that I fantasize about having a threeway with her. "Do you want me to fuck another guy? Baby, I love you, and if you really want to, I'll do it." Oh, she got me good on that one. Quickly I say that I meant with another girl. She admitted that she had always thought about it but was afraid to labeled a lesbian. "Maybe we can find another bi-curious girl around campus." she said.

One Friday night, we went to a party, there was so much alcohol, so many girls, so many opportunities, so I asked Bella to think about finding someone for that threesome. Maybe tonight will be our night. She agreed to start looking for some girl, but first we had to dance, and to drink a lot to

build up courage. I told Bella that I'd go over to the bar and look around there and she could stay around the dance floor and check out the girls.

She agreed and I headed over to the bar. I wasn't having much luck but when I looked back at the, she was talking to this girl, a lovely, long haired cutie. I really liked what I saw and hoped that she would join us tonight. I could see that the girl was pretty wasted so getting her our my bed shouldn't be a problem. I tried to read their lips and I think it went something like this:

"Hey girl, I didn't know that you were coming here tonight. How's it going?"

"Oh, hi Bella, I've been waiting for someone to seduce me. I'm so wasted and horny tonight. I hadn't had sex in months. I sure could use some cock right now, or pussy – whatever."

"Come on, lets take a few shots, then we'll look for a guy or girl for you."

After about ten minutes of drinking, Bella was telling the girl that she would fuck me, pointing over to where I was, and I was quite good in bed. Soon after that Bella waved me over to join them and start hitting on her. After a few more minutes of smart talk, I asked her if she would like to come to my place for free shots. As I expected, she agreed, and after we entered the room, she started kissing me with so much tongue that I couldn't even breath. She was so fucking horny, but I stopped her and told her that she must kiss Bella first and then the two of them should get it on and I'd join them.

As soon as she heard that, she jumped on Bella, kissing her and unhooking her bra and started to feel her up. I could feel my dick ripping through my pants. I don't think I ever had such an erection. It was totally awesome. After some spit swapping, the girl started to lick Bella's boobies for a while. Then licked her all the way down to her pussy. Soon, they were both naked and in a sixty-nine on the sofa, finger fucking and licking each others' pussies. Both came almost at the same time and after that, they were prowling over to my cock.

After some cock sucking and being licked all over my body, I wasted no time and started to butt-fuck the girl while she was licking Bella's pussy. The two girls were moaning so loud that I could swear that people started peeking under the door. That made me even more excited so I just kept pumping my cock into her ass.

After I creamed her ass, Bella licked her until every drop of my sperm was swallowed. Then after kissing the girl for a while I put on a condom and start fucking her pussy. In fifteen minutes the girl made Bella squirt three times, and I made the girl squirt three times herself. We all were so soaked in each others body sweats but we weren't done yet. After some more pussy pumping, I told them to get their faces closer together because I was gonna cum soon. I came in Bella's mouth after an hour of hard fucking. After that we all started to kiss each other and cum`swapping until we fell asleep.

The next morning we had a shower together and I got me a BJ from each of them. And before she left the girl, promised us that she will join us again soon. Yeah, Bella and the girl made me very happy that night.

– Jesse, Tallahassee

Editors:

A couple years ago I had to make some tough decisions and decided to go back to summer school to further my education. It turned out to be a lot of fun. I didn’t learn much about economics but I got to fuck a lot of girls that I met there. I thought it was such a cool thing that I decided to enroll in night school this fall and see what that was all about.

I decided to take some drawing and painting classes because we would have nude models and I though the most liberal girls would be in it, and was I right. There were three of them and one was married and a couple had kids but no husbands, but as far as I was concerned, they were all fair game when I was on the hunt.

I was drifting off in class, trying to fall asleep when I hear, “Sam, quit staring at my butt?” That was Caryn, the blonde beauty that sits right in front of me. “I’m not, but you know your ass is so hot.” She turns around in her seat and giggles at me. I pick up the sign this time and after class invite her for coffee.

We go to the nearby coffee shop and find a small sofa to sit at. I get the drinks and we get to talking about our sex lives. Mine isn’t too interesting and, it turns out, neither is hers. She says her boyfriend has a small cock. She thought it was cool at the start because she could easily get it all in her mouth, but when it never got any bigger, it never satisfied her pussy. She asks me what my size is and I brag that it’s eight inches. She leans over and looks at my crotch and says let me see it! She reaches down but I stop her. We’re in a public place, I thought. But now the damage was done. My penis starts to grow in my pants. I wanted to take it out and show her but I didn’t.

She suggested we go back to my place so she could see it. How could I refuse, horn dog that I was. We get to my place and park it on the couch. “I gotta get home soon, so let me see it.” she says. Immediately she unbuttoned my pants and pulled them down. She grabbed it, and when she saw it perk up after fingering it for a second, she started asking me all sorts of questions because she said her man had lost interest in sex.

I told I hadn’t, as she could see from my quickly growing to eight inches cock. I said tit for tat and she giggled some more when I asked to see her boobs. She unbuttoned the front of her shirt and there they were, full and round in her bra. I took off her shirt and went to take off her bra when she looked at me smiled and turned around. She told me how bad she had been and that I should take it off for her. After that I took off her panties and started to rub her clit. She told me to rub faster so I rubbed faster and with my tongue darting in and out of her pussy. She seemed to really enjoy it so I went faster until she said watch out but that turned me on more so I kept licking. When she came she screamed. I lapped up her pussy juice but left plenty for lube.

She turned around and grabbed my cock and she was going to please me now. She shoved it in her pussy only once to get the juices all over it, then she started to work her magic. Her hands were way better than mine, softer, more tender, more attentive. Then she started making rings around the head with her tongue. Within three minutes of this attention, she sucked on it until I was screaming in pain because of how tender it got after cumming. But she couldn’t stop. I could only watch as her tongue circled the head once more being sure to get under the rim, searching out every last drop. When she finally was satisfied, she hurridly got dressed and headed for the door. “I gotta go right now.” she said. “I’m gonna give my boyfriend the best blow job he’s ever had.” Damn, and there wasn’t a damn thing that I could say to that?

– Georgie in Pittsburgh

Bianca, Nick is here and can't wait to fuck you.

And I can't wait to fuck him. I've always had my eye on him and was waiting for the right opportunity to make him my lover – I mean sex partner. The girls tell me that he's pretty good and likes to lick pussy. Mine's getting wet just talking about it.

Are you having a facial today, Cristina?

I sure hope so. My skin needs the protein. I wonder why someone hasn't bottled it and put it on the market. I'm sure it would sell. I think all you need to do is collect it, that's what I'm good at, and keep it cold until you use it. Gotta go, more inventory just showed up.

Will flattery get me anywhere, Arianna?

You bet it will. If you flatter me enough, it will get you in my ass. But that's a lotta flattery. You gotta start slow and build up so I can appreciate what you're saying. Then maybe I'll let you.

i guess i am better off writing the things i cannot say

try not to stay mad

Parker, you know who you are. You need to hear this because you never listen to me. I know you buy this magazine. I want to explain what happened so that you will understand and not stay mad at me. That's not how I wanted things to end.

Parker, that night I was getting ready in the bathroom. I was standing in front of the mirror in the bathroom looking at my pussy. Why was I looking at my pussy? Because you had told me that you would love to see it shaved and how nice that would be for you when you went down on me. Well. I decided to do it for you that morning and show you later.

I was just finishing my shower where I shaved it. It's kinda hard to see down there and with the water running and all. I thought I had shaved good and just wanted to see how it looked. I was still completely naked and just standing there. Now I see everything down there without my pussy hair getting in the way. I liked it. It was as sexy as you said it would be and I knew I would get used to it that way. Now my pussy lips and clit were really obvious along with my long slit. My pussy is up pretty high, with a lot of it in the front, not all hidden between my long legs. But with all the hair all shaved off, I just wasn't sure what I thought about it, but you said that was okay and I thought it was a little weird, but I think I now understand.

If you remember, Amber and her boyfriend Cade were staying with us. They were only there a while and I spent time with her doing her hair and nails, and we went shopping a few times. Cade mostly hung around the house eating our food and watching basketball on the tube. We had gotten to be pretty good friends and Cade was always a perfect gentleman around the place. And, if you remember, he knew you were my man so he and I were just friends. As a matter of fact, you even said what a nice guy he was and how Amber had lucked out to have him.

You said that guys falls under the spell of a naked woman too easily and that pussy of mine has more power than I can imagine. It will turn any man into a sniveling idiot just to have it. You were very convincing and it got me to thinking. You said once I experienced that power I would never be the same. And that got me very curious and the more that I thought about it, the more convinced I made myself that I could do it.

So I'm standing in front of the mirror. I was so nice and fresh and clean and all naked. I had left the door partially open so the steam would go out and I could see myself in the mirror better. That's when Cade was going to use the bathroom. He probably thought I had finished in there and I gone back

to my room so he just walked right in. We were both surprised. His eyes widened a lot and his jaw dropped to the floor. He just stood there staring at me and that really amused me. We women see ourselves naked every single day so we really don't get what the big deal is. Seeing his stunned reaction, I wasn't at all embarrassed like I thought I would have been. I was feeling extremely flattered.

He stammered an apology and was slowly backing out still staring at my naked body. This sudden introduction of himself into my private space got me all suddenly very excited. I remembered what you said about you wanting me to let him see me naked and plus it was his last day with us and here he was and here I was already naked – and well it all just seemed to be so perfect a time to do it. I think you get my thought process. So I said, "No worries Cade. No big deal and hey, since you've seen me naked now anyway, do me a favor and tell me what you think of shaved pussy? I just did it and I'm not sure if I like how it looks. Does it look stupid or what? I just need to know."

I was in front of him with my feet a bit apart to give him a little better view. He stood there in front of me and took a real long look and said: "Are you kidding me? No way! It looks really nice. It's beautiful like this. You're beautiful like this. I don't know how it looks with your legs wide apart, but standing there you look perfect!"

But this is where I must make a confession. And I can't even believe I did this. I was so naughty because then I just hopped up on the counter by the sink, placed my feet flat with my knees bent and my legs open and asked him what he thought.

Time out: I know that was a bit shocking to hear all this. Remember you have told me many times you want me to give you all the details no matter what happened and for me to tell you the whole truth and just how I was feeling about it all. So I am going to take you at your word and do that. But be warned, there are some very sexy details coming up. So stop reading if you don't want to know them.

Time in: Now I'm sitting totally naked on the bathroom counter next to the sink and I have my beautifully toned legs spread apart and my knees were pulled up and I have just asked this handsome man to take a close look at my exposed pussy and for him to tell me what he thinks of it – shaved. Well, he surprised me and quickly got down on his knees directly in front of me. He reached up and grabbed me by my bare hips and moved up close to my pussy pulling me towards him at the same time.

He dove his face straight into me and began by first inhaling deeply with his nose on my pussy. At that moment this man had me feeling like I was sitting at the very top of the world's highest, craziest, most giant roller coaster and I was just about to take the wildest ride of my entire life. He began to use his tongue on my clit and my wonderful little labia, going all the way down my slit and all the way back up to my clit, over and over and over again! He sucked on me and flicked my clit with his tongue back and forth and rolled his tongue in circles around it and I was going crazy.

He would slide his tongue along my outer lips, down one side and up the other and then reverse it and down the other side and back up the other. First one delicate lip and then the other, both sides, every inch of both lips. As he was doing the circles with his tongue on me, he gently slipped two fingers into my hot, wet, little pussy and curled them way up into me. This man hit my g-spot like he had been there a million times before. I couldn't believe I could feel so many incredibly mind blowing feelings all at once.

But Parker, believe it or not, I was thinking of you. You are the only guy who has ever done all of this to me like this before. I was sure you had told him what I liked and exactly how to do it or something. Then I thought of how turned on you were going to get when I told you this later so I got my head back into the moment so I wouldn't forget a bit of it and I just let it keep happening. I was leaning back on the mirror and holding on to his head, pulling it and gasping so hard for breath as I was also moaning and panting and bucking and finally cumming over and over and over again. The climax just rippled through my pussy and my entire lower tummy and he even made my butt cheeks spasm. And it all happened so fast that I couldn't control it.

You would cum too just hearing what was happening. He stopped as quickly as he had started and he stood up and then I stood up. He leaned over, wrapped his arms around me and he sucked each of my nipples for a moment as I was trying to cool down. Then he spins his tongue like something I've never felt before. That felt amazing too, but a girl can only take so much and I was sweaty, hot, exhausted, and most of all very dizzy. I felt like my legs were going to give way. I had to gently push him away from my breasts so I could turn around and lean over on the sink counter to hold myself up and continue to catch my breath. But he knelt down behind me and buried his face in my bare bottom licking my little butt, rubbing his face all over it, squeezing it with both hands. Even that felt wonderful. It seemed like there was no end to what this guy could do. I know that I could have cum again but I finally got my breath back and I turned around facing him again and I said between panting breaths: "Cade, I think I can take it to mean you do like it then, right?"

I was wondering if he even remembered my original question and why he was in here? You darn guys sometimes just don't pay attention when we women ask you something and you can so easily get sidetracked. I turned him around by his shoulders and gently pushed him out the door. Hey, he never even took his clothes off and most importantly, I didn't let him screw me or anything. Cause you know I am only ever going to be doing that with you. I hope you aren't too mad. You did tell me to let him see me naked and to give him a little treat before he left that he would never forget – right? Well, I think I sure did give him all that.

See what you've made me do!

Here I am all worked up just writing this to you. I know I was really the one who was naughty and I'm pretty sure I should receive a good bare bottom spanking for my behavior. I cannot wait to get alone with you again, both of us all naked and hear you read it to me as I act it out for you. Or, better yet, I think I will read it to you and you can play his part. You're the only man who can do it better. Then you can spank me if you still want to. Or you can fuck me because I want you to.

By the way Parker, I really think you're going to like my shaved pussy. It's smooth and soft and waiting for you, so don't be mad and don't be late.

Payton, you are what you seem.

But I'm really not. I'm a good All-American girl who likes, I mean, loves, to suck cock, lick ass and get fucked. Just like every other red-blooded girl out there. It's just that I will admit it and do it, where most of them just talk about it and leave their men dry and wilted.

i'm not what i seem

It's quite warm out here, Lana.

For a redhead with delicate white skin, it sure is. If we're done shooting out here, I should be getting in. You don't want me to look like as lobster when he's fucking me. Although that's a cute idea. I've got a great pool table inside we can use.
